

The emergency cash assistance for the people displaced by the crisis in Ukraine is for households including a minimum of 1 adult (above 18 years of age). For unaccompanied or separated children please approach a Red Cross person and a different type of assistance will be provided.

## What are the requirements to receive emergency Cash Assistance from the Red Cross?

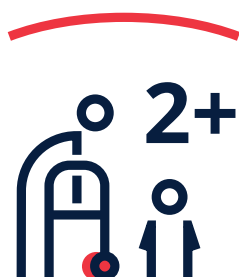

They are aligned to Poland social protection assistance.

Elderly headed household (above 50 years)

Single headed household with at least 1 child (below 18 years) or elderly (above 50 years)

Household with 2 or more dependents (below 18 years or above 50 years)

Household with one or more persons with specific needs

**Only people who have not yet received cash assistance from another organization will be eligible for the Red Cross Cash Assistance Program.**

What does “household” mean?

A group of people who are financial dependent on each other.
